## PARA BELLUM

PARA BELLUM is ready to take-on the world. Designed and built for the most demanding cruising challenge, she constitutes a rare “species” in the luxury charter world. Part of the highly acclaimed Explorer series by Sanlorenzo, she is a rare offering for the uncompromising yachtsman. PARA BELLUM has been custom-designed from early stages by a visionary owner who set-out to build a yacht that is fearless in terms of exploration capabilities and at the same time offers her guests a unique relationship with the sea.

The 113 sq. m. near-sea-level quarterdeck level is designed to entertain while worshipping the sea. Her vast sundeck with a forward-facing observation lounge will offer unparalleled memories while exploring the globe. Her cosy and contemporary interiors inspired by renowned architect Antonio Citterio will appeal to guests with high stylistic expectations, who appreciate understated luxury. PARA BELLUM launched in the summer of 2023 and is accepting bookings.
